## APPLE & SPICES STOVETOP POTPOURRI

### Instructions

Fill a small saucepan or pot with 2 to 3 cups of water. Add the potpourri mix.

Simmer (uncovered) over low heat.

Potpourri can simmer for several hours.

To avoid burning, replenish with fresh water as needed. After cooking, take the saucepan/pot off of the heat and let sit on the counter to fragrance your home further.

Simmering potpourri can be reheated for 2-3 days.
