

Ingredients/Materials

Apples

Melting Candies/Chocolates ***

("Sweet tooth Fairy

Meltables" from Michael's works
great!)**

Sprinkles

Popsicle Sticks

CANDY APPLE POPS

Instructions

1. Carefully slice your apples. Make about three pops from each apple.
2. Carefully press popsicle stick through apple.
3. Quickly dip your apples in the melted candy and place on wax paper.
4. Add your sprinkles, and let cool to harden.
